

DISPUTE RESOLUTION

Fixed Fee Initial Appointment

For general advice relating to a private client matter we operate a fixed fee appointment for £200.00 plus VAT. In the event that we are instructed by you and the matter progresses past the initial meeting then £100 plus VAT will go towards your first invoice.

Employment

We are happy to provide a short initial telephone discussion free of charge to briefly discuss the background to your case. If you then wish us to offer ongoing advice and support an hourly chargeable rate will apply but we will endeavour to give you an estimate of the likely total costs involved from the start.

For those individuals seeking advice on the terms of a Compromise Agreement, in most cases the employer's contribution is likely to cover our fees and you will not be required to pay anything.

Dispute Resolution

Legal advice, like anything else you buy, costs money. We will confirm at the very outset of any instruction from you the likely cost of instructing us to assist with resolving your dispute and will review this regularly to ensure that we manage your expectations about costs as much possible so that there should be no surprises.
