

Wills, Trust & Estates

Much of the work carried out by the Wills Trusts and Estates department can be done for a fixed fee details of which are given below. Where work is not done on a fixed fee basis, the charges are based on the amount of time spent on that matter. We will always try and give an estimate of the total likely costs involved at the outset of any matter.

Administration of estates

Fees are calculated on a combination of time spent and a value element scaled according to the gross value of the estate. Precise details of that scale are available on request.
